RESEARCH INTERESTS

Computer Vision, Machine Learning, Deep Learning, Image Processing, AI

EDUCATION

- **International University of Business Agriculture and Technology** September 2023 - September 2027
Bachelor of Science (B.Sc.)
◦ CGPA: 3.66/4.00 Dhaka, Bangladesh
- **Jatir Janak Bangobondhu Sheikh Mujibur Rahman Govt. College** December 2022
Higher Secondary Certificate (HSC)
◦ GPA: 5.00/5.00 Dhaka, Bangladesh
- **Uttarkhan Govt. Secondary School** December 2020
Secondary School Certificate (SSC)
◦ GPA: 5.00/5.00 Dhaka, Bangladesh

PATENTS AND PUBLICATIONS

C=CONFERENCE, J=JOURNAL, P=PATENT, S=IN SUBMISSION/REVIEW, A=ACCEPTED, B=BOOK

ABSTRACT, T=THESIS

- [C.1] Md. Jakaria, Md. Fardin Al Shafik, Devesis Mondal Dipta, Takrim Uddin Ahmed Jengi, et al. (2026). **Predicting Indoor Air Quality in University Laboratories Using Classification-Based Machine Learning Models**. In *Proceedings of the International Conference on Current Problems in Engineering and Applied Sciences (ICCPEAS 2025)*. Atlantis Press International BV, Dordrecht. DOI: 10.2991/978-94-6239-668-5_93.
- [A.1] **Md Al Hossain Mukib**, Takrim Uddin Ahmed Jengi, Mohammad Nyme Uddin, Md. Fardin Al Shafik, Lamia Jamal, Mim Mony, Firuja Tasneem (2026). **Visual Comfort Assessment for a Comparative Analysis of Dominant Features Using Machine Learning in Naturally Ventilated Cafeterias**. Accepted for publication/presentation.
- [S.1] Md. Fardin Al Shafik, Devesis Mondal Dipta, Nowshin Nowyer, **Md Al Hossain Mukib**, et al. (2025). **Predicting Indoor Air Quality in Naturally Ventilated University Cafeterias Using Regression-Based Machine Learning Model**. Manuscript under review. Presented at *AGU25: Where Science Connects Us*, New Orleans, LA, USA.
- [B.1] Md Tafhimul Hasan, Takrim Uddin Ahmed Jengi, **Md Al Hossain Mukib**, Md. Fardin Al Shafik (2025). **Feature Ranking for Predicting Inhabitant Thermal Comfort in Urban Landscapes Using Machine Learning for Sustainable and Climate-Resilient Design**. Book Abstract. Czech University of Life Sciences Prague. ISBN: 978-80-213-3513-4.

My name is highlighted in bold in publications where I am an author. ""

RESEARCH EXPERIENCE

- **Principle Research Team (PRT) Researcher** May 2025 - April 2026
Building Energy & Environmental Management (BEEM) Enhanced by AI 
 - Led research projects, mentored members, and contributed to publications and AI-based research outcomes
 - Contributed to 1 research project, resulting in multiple conference publications and journal papers
 - Directed interdisciplinary research projects focused on machine learning
- **Co Research Team (CRT) Researcher** April 2026 - Current 
Building Energy & Environmental Management (BEEM) Enhanced by AI
 - Led a Computer Vision research team and managed end-to-end project execution
 - Collected and annotated a domain-specific image dataset for model development
 - Initiated and coordinated real-world data collection for a Computer Vision research project

PROJECTS

- **Book Club Organizer Website: A DBMS-based Web Application**
Tools: HTML, CSS, PHP, MySQL

- Developed a web-based Book Club management system for organizing books and members.
 - Implemented CRUD operations for adding, updating, viewing, and deleting books and member records.
 - Designed and integrated login/logout authentication system for secure access control.
 - Built a dynamic database using MySQL to store and manage book and user information efficiently.

May 2025

- **Online Quiz System: A Role-Based Web Application for Quiz Management**
Tools: PHP, MySQL, HTML, CSS, Bootstrap 5, JavaScript, Chart.js

- Developed a role-based online quiz platform with separate Admin and Student panels using PHP and MySQL.
 - Implemented secure authentication system with session management and role-based access control.
 - Built full quiz lifecycle features including quiz creation, question management, timed quiz attempts, and result evaluation.
 - Designed responsive UI using Bootstrap 5 with interactive features like countdown timer, leaderboard, and certificate generation.
 - Developed admin dashboard with analytics and visual reports using Chart.js.
 - Integrated database-driven architecture supporting users, quizzes, questions, results, and leaderboard management.

May 2026

- **Cafe Management System: A Web-Based Smart Ordering and Management Platform**
Tools: HTML, CSS, JavaScript, PHP, MySQL

- Developed a web-based cafe management system to automate ordering, billing, and daily cafe operations.
 - Implemented role-based modules for customers, managers, kitchen staff, and administrators.
 - Built features including digital food ordering, live order tracking, menu and inventory management, and feedback system.
 - Designed an admin dashboard for managing staff, menu items, orders, and business analytics.
 - Integrated MySQL database for efficient handling of orders, users, inventory, and sales data.
 - Improved operational efficiency by reducing manual processes and enabling real-time order coordination.

May 2026

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, Python, PHP, JavaScript
- **Web Technologies:** HTML, CSS, Bootstrap, JavaScript, PHP, AJAX
- **Database Systems:** MySQL, SQL, phpMyAdmin
- **Data Science & Machine Learning:** Python, NumPy, Pandas, Matplotlib, Scikit-learn
- **Cloud Technologies:** Basic AWS, Google Colab
- **DevOps & Version Control:** Git, GitHub, Git Bash, VS Code, XAMPP
- **Specialized Area:** Computer Vision, Image Processing, Web Development, Database Systems
- **Mathematical & Statistical Tools:** Probability, Statistics, Linear Algebra, Data Analysis
- **Other Tools & Technologies:** Chart.js, Canva, MS Office, Linux Basics, REST APIs
- **Research Skills:** Data Collection, Data Annotation, Model Training, Paper Writing, Problem Solving, Experimentation

HONORS AND AWARDS

- **Award for Academic Excellence (100% Tuition Waiver Scholarship)**
IUBAT—International University of Business Agriculture and Technology

- Merit-based scholarship awarded for outstanding academic performance.
 - Full tuition fee waived throughout the undergraduate program.

2023 – Present
- **First Runner Up, Poster Presentation**
IIEC Innovation Competition 2025

- Achieved First Runner Up position in the poster presentation category.
 - Recognized for innovative research presentation and effective communication of technical findings.

2025

LEADERSHIP EXPERIENCE

- **Leadership Role A**
Organization/Institution Name

- Key responsibility or achievement in this role
 - Quantifiable impact or improvement made during tenure
 - Initiative taken or project led

Month Year - Month Year

- **Leadership Role B**
Organization/Institution Name

- Key responsibility or achievement in this role
 - Quantifiable impact or improvement made during tenure
 - Initiative taken or project led

Month Year - Month Year

CERTIFICATIONS

• Certification A	<i>Month Year</i>
• Certifying Body: Certification B	<i>Month Year</i>
• Certifying Body: Certification C	<i>Month Year</i>
• Certification D	<i>Month Year</i>

ADDITIONAL INFORMATION

Languages: Bangla (Mother Tongue), English (Fluent)
Interests: Computer Vision Research, Machine Learning, Teaching
